

OHA Board Meeting: Tuesday, January 9<sup>th</sup>, at 7:00pm

Meeting was held at the Orr residence.

Attendance

- Mike Getz
- Troy Orr
- Jeff Mroz
- Jeff Stromberger
- Erin Bradshaw
- Janet Seng

Absent

- Erin Bradshaw
- Mike Hoff
- Sandy Dorell

Discussion Points:

The drainage issue on Timber View was fixed in the recent months by the city. The city came out and fixed issue in a very timely manner.

Broken water lines in the development were fixed by the city in the recent months. Many of you may have noticed the there were construction blockades up in order to prevent traffic from driving on the newly poured concrete. The water lines were leaking and freezing on the roads and this needed fixed immediately before the cold weather hit.

Prior to the water lines leaking, McLean County finished maintenance work on the roads before winter. There is no other news from the Street Committee.

**Reminder:**

Garbage and Recycling cans need to be moved within the property so that they are not visible from the street within 24 hours of pickup day. There have been a number of properties leaving the cans on the curbside for much longer and this is against our ordinances. Those that continue to break the ordinance are subject to fines from the OHA.
